American Federation of Mineral Societies (AFMS) "Code of Ethics"

- Twill respect both private and public property and will do no collecting on privately owned land without permission from the owner.
- will keep informed on all laws, regulations or rules governing collecting on public lands and will observe them.
- i will, to the best of my ability, ascertain the boundary lines of property on which I plan to collect.
- Tild will use no firearms or blasting material in collecting areas.
- I will cause no willful damage to property of any kind such as fences, signs, buildings, etc.
- Tild will leave all gates as found.
- The will build fires only in designated or safe places and will be certain they are completely extinguished before leaving the area.
- Tild will discard no burning material matches, cigarettes, etc.
- Till will fill all excavation holes which may be dangerous to livestock.
- Tile will not contaminate wells, creeks, or other water supplies.
- Twill cause no willful damage to collecting material and will take home only what I can reasonably use.
- ➡I will practice conservation and undertake to utilize fully and well the materials I have collected and will recycle my surplus for the pleasure and benefit of others.
- Tild will support the rockhound project H.E.L.P. (Help Eliminate Litter Please) and will leave all collecting areas devoid of litter, regardless of how found.
- Tild will cooperate with field-trip leaders and those in designated authority in all collecting areas.
- ➡I will report to my club or federation officers, Bureau of Land Management or other authorities, any deposit of petrified wood or other materials on public lands which should be protected for the enjoyment of future generations for public educational and scientific purposes.
- Tild will appreciate and protect our heritage of natural resources.
- ➡I will observe the "Golden Rule", will use Good Outdoor Manners and will at all times conduct myself in a manner which will add to the stature and Public Image of Rockhounds everywhere.
